

NFRC 2011 Fall Membership Meeting
November 7-10, 2011, Atlanta, GA

Minutes

CMA Technical Task Group

Monday, November 7, 2011

11:00 am to 12:00 pm

Chair: Catherine Best, Benson Industries, Inc.

1. Discussed negative ballots for spandrel area ratings
 - a. Greg M. – is spandrel a fenestration system as currently defined
 - b. Brenden – Potential for multitude of components to be tested/simulated may be very high
 - c. Catherine Best – architects are specifying spandrel area testing
 - d. Charlie Curcija – start with basics first
 - e. Tom Culp – maybe possible to treat frames like spacers and add options for insulation thicknesses.
2. New business
 - a. Sneha Kumar – presented on spacerless systems for CMA
 - b. Webshare tg up and running – to post Sneha's presentation.
