Hi everyone,

This is a reminder for our laboratories that the lab report test tool is for **Simulation CPD 2.0 spreadsheets only**. Many users have been uploading CPD 1.0 spreadsheets, APD spreadsheets, and CPD 2.0 Test Lab spreadsheets. Please be sure to review the NFRC Simulator CPD User Manual for and clarification.

We are currently designing a trap to eliminate the stoppage that occurs because of the incorrect upload; however, this trap has not been implemented.

Your attention to this matter is greatly appreciated.

Regards,
